**Please select which session you are available.** If you have a session preference, time constraint or special requirement, please let us know. It's our goal to accommodate any student that would like to participate!

### MORNING SESSION

9:00 AM - 11:00 AM

### AFTERNOON SESSION

1:00 PM - 3:00 PM

## BEYOND THE CLASSROOM. EXPLORE CONSTRUCTION.

ABC Heart of America Apprenticeship & Training Trust will be showcasing the skills of top apprentices in Electrical, Pipefitting and Plumbing with the 2023 ABC Heart of America Craft Championships. These apprentices will have completed a 2-hour written exam prior to the competition and will be participating in a 6-hour hands-on practical exam. Winners of this competition will go on to represent Kansas and Missouri at the ABC National Craft Championships in Kissimmee, FL in March.

Watch the craft competition; participate in hand-on trade stations; and talk one-on-one with industry professionals from a variety of local and regional general contractors and subcontractors.

**When:** Friday, December 8, 2023

**Time:** 9:00 AM - 3:00 PM

**Where:** ABC Training Facility  
4035 Denton Rd  
Kansas City, MO, 64133
